Grower **Gladiolus** Hybridist

Cotati, California

Sec. 562, P. L. & R.  
Permit No. 5  
COTATI, CALIF.

United States Dept. of Agriculture

Bureau of Plant Industry

Washington, D.C.

SPRING 1939

## PLEASE READ CAREFULLY BEFORE ORDERING

I WISH to thank my customers for their orders and kind letters about my bulbs. Thank you for your requests for my catalogue.

This past summer, I again exhibited gladiolus at the Oakland show of the East Bay Gladiolus society where my blooms won sweepstakes in the professional section, also had champion spike of the show with PEGGY LOU.

My bulbs are the best that can be grown. Our excellent soil in the beautiful Santa Rosa valley produces bulbs which will send up long tapering spikes of beautiful flowers if given half a chance.

It is my intention to revise this list each year admitting to it only those new varieties which prove to be outstanding.

Many varieties not listed can also be supplied. Inquiries for them will receive prompt attention.

I am interested in seeing you grow some of these selected gladiolus for cutting, or for exhibition purposes. These newer ones are such an improvement over the older sorts that there is no comparison. You will enthuse over their beauty. Grow a few, or send a gift of bulbs to your gardening friends.

Order early to avoid disappointments as in some varieties stock is very limited and will go right out. Kindly name second choice as WE DO NOT SUBSTITUTE unless instructed to do so, but may send next size smaller if out of the larger sizes.

Five at 10 rate, 25 at 100 rate, 250 at 1000 rate; postpaid.

My reward to you for EARLY ORDERS is EXTRA FREE BULBS. All orders filled liberally, and I guarantee satisfaction.

**NO SMALL SIZES OR BUBLETS FOR SALE AFTER APRIL 1**

California customers please ad  
orders accepted subject to prior sa
